

BarCamp Deland is an ad-hoc unconference event centered around technology. It aims to bring people together from different backgrounds like web-design, photography, graphic design, art, music, web-development and technology for cooperative learning. Sponsorship makes BarCamp Deland a completely FREE event for our attendees.

Sponsoring is a great way to recruit from a pool of the most engaged, driven, creative and tech-savvy people in the Deland/Daytona Beach/Orlando area. Sponsorship shows your company's support for an educational community environment, fostering learning and collaboration. We strive to find creative ways to promote your business leading up to and on the day of the event. We appreciate every penny of sponsorship EQUALLY!
