

Tech & Design Conference

10.06.2012 | 9am-5pm

What?

Love technology or design? Then check out Downtown Deland's first free technology conference. Learn more about web development, film, graphic design, photography, music and 3D. This is an intense event with discussions, demos and interaction from attendees. Anyone with something to contribute or desire to learn is welcome and invited to join.

Who?

Who should attend BarCamp Deland? Anybody interested in technology and the creative industry. Programmers, Designers, Photographers, Artists, Marketers, Entrepreneurs, Writers. If you're interested in meeting and making a connection with others in the local tech industry or if you have something to teach or learn from others related to technology.

How do I sign up?

1. Go to <http://barcampdeland.org>
2. Find out more about the event, the schedule, how you can help and learn more about the speakers
3. Get a free ticket which qualifies you for prizes the day of the event
