

Tech & Design Conference

10.06.2012 | 9am-5pm

What?

Love technology or design? Then check out Downtown Deland's first free technology conference. Learn more about web development, web design, graphic design, photography, film, music and 3D. This is an intense event with discussions, demos and interaction from attendees. Anyone with something to contribute or with the desire to learn is welcome and invited to join.

How do I sign up?

Go to <http://barcampdeland.org/register.php>, register & get a free ticket which qualifies you for prizes the day of the event.
